Dear Ms Hollands

RESPONSE TO YOUR EMAIL RECEIVED ON 16/11/20

I refer to your letter dated 14 November 2020 and your question as follows:

"We are asking Council, on behalf of the residents, to request a review of the gratuity payments policy. In view of the information we have provided to you, any review would need to address the inconsistencies between the Local Government Act and the staff EBA's."

As you would be aware, the City has provided the Belmont Resident and Ratepayer Action Group with numerous responses on this matter during the course of this year. Consideration of this material clearly indicates that there are no inconsistencies evident in the information provided. Rather it is apparent that there has been a lack of understanding on your part with regard to the information provided.

On this basis I see no need to pursue this issue any further.

Yours sincerely

CR PHIL MARKS
MAYOR
